EAVES PATHS CELEBRATION DAY!

The PATHS Programme for Schools is designed to facilitate the development of self-control, emotional awareness and interpersonal problem-solving skills.

In recognition of becoming one of the very few schools in St. Helens to be recognised as a 'PATHS Model School', on Tuesday we held a celebration day!

We held PATHS Learn in Class sessions across school followed by cake and juice as well as a visit from Twiggles the Turtle! We held a whole school assembly and PATHS

Coordinator Lisa Best presented the school with our very special Plaque to celebrate this huge achievement. The B's Buddies led the assembly to talk about our unique PATHS journey.

Finally, Miss Archer and the B's Buddies set the whole school a compliment challenge. The children had to give at least one person a compliment such as a member of staff or a child in another class. Overall, it was a great day celebrating the amazing work of our wonderful school!

GROWING & LEARNING WITH FS2

What a busy time we're having in FS2!

We loved inviting some of our grown-ups from home to come to our 'Learn In Class' sessions. We have developed so many new skills in P.E. including throwing and catching, balancing and even some animal themed dancing! We have been practicing doing 'turtle' whenever we feel upset

or mad and we even got to meet the real Twiggles! Every single member of FS2 has made wonderful progress in all areas of development and we continue to aim for excellence throughout the rest of the school year! As the weather gets warmer, we are excited to spend more time outdoors, planting seeds & watching them grow into beautiful flowers and enjoying picnics with our friends around the school grounds. We love to learn through exploration and activities to stimulate our curiosity.

WORLD BOOK DAY 2024!

Well done to our wonderful children (and their families) for all the effort and time put into the wonderful World Book Day outfits! The children have most certainly extended their vocabulary by coming dressed to match a description of an interesting word.
