Policy Statement

Eaves Primary School Trust is committed to equal opportunities in all aspects of employment, and to regular monitoring and review of the effectiveness of its policies in achieving diversity in the workplace.

It aims to ensure that all employees are recruited, trained and promoted on the basis of ability, the requirements of the job and relevant objective criteria.

The school will not unlawfully discriminate against any employee or job applicant on the grounds of race, gender, nationality, colour, ethnic or national origin, age, marital status, sexual orientation, religion, belief or disability in any matters to do with employment.

This policy embraces the following areas:

(a) Recruitment and promotion

All staff with responsibility for recruitment are required to adhere to the school's recruitment procedures, and will receive appropriate training.

(b) Employment of ex-offenders

All candidates offered an appointment are required to obtain an Enhanced Disclosure from the Disclosure and Barring Service before the appointment is confirmed, which will include details of cautions, reprimands or final warnings as well as convictions.

In the event of the disclosure revealing a criminal record or other information of concern, this will be discussed with the candidate before a decision is made as to whether or not to confirm the offer of employment. In making this decision, the Head Teacher will consider the nature of the offence and whether this makes the applicant unsuitable for the type of work to be undertaken or unacceptable to other employees, how long ago the offence was committed and the age of the prospective employee at that time, together with any other factors that may be relevant.

(c) Pay and conditions

The school's pay policy, pay scales and other staff benefits and policies are published on the secure area of the website. Part-time staff benefit on a pro-rata basis from the same pay scales and benefits as full-time staff.

(d) Performance review, training and development

Training and development opportunities are available to all staff. In accordance with the school's Appraisal Policy, every teacher is entitled to an annual review, based on objective and relevant criteria.

(e) Disability and access for the disabled

The school will make reasonable adjustments to enable applicants with disabilities to participate fully in recruitment and selection procedures.

As far as reasonably possible, disabled employees should be able to play a full and active role in the life of the school.

All reasonable measures will be taken to retain disabled employees in employment, in consultation with the employee concerned and their medical adviser(s). This may include (but is not limited to) provision of specialist equipment and training, job redesign, flexible hours, and/or redeployment to a suitable alternative vacancy. Where appropriate an outside specialist may be consulted with the agreement of the disabled employee.

(f) Employment policies and procedures

The school has a range of employment policies and procedures (e.g. discipline, capability, redundancy) designed to ensure fairness and equity when dealing with problems which may affect people at work. These are available on the secure area of the website and apply to all employees.

This policy may be amended from time to time by the Governing Body to reflect statutory requirements, or any changes considered desirable following the annual review referred to above. It will be reviewed every 2 years.
